4.28 - Separation of a Kannaway Entrepreneur Business

In the event of a dissolution of marriage of a Kannaway Entrepreneur, and a spouse, arrangements must be made to assure that any division of the business assets is accomplished so as not to adversely affect the interests and income of other businesses up or down the line of sponsorship. In the event that a married couple, a couple in an official civil union, a legal person or non-incorporated firm registered as an Entrepreneur end their association on an internal level, even after such separation, dissolution or other termination, one of the aforementioned associations shall remain in the position of sales partner. The separating members/shareholders must agree internally which member/shareholder will continue the sales partnership, and this must be notified to Kannaway by one of the two parties in the form of a signed and notarized written notice or by the production of a court order. In the case of an internal dispute about the consequences of the separation, divorce, dissolution, or other termination in relation to the Kannaway sales partnership the latter reserves the right of extraordinary termination, where such a dispute leads to a neglecting of the obligations of the Entrepreneur, to a breach of these General Conditions regarding Sales Partners, to a breach of law or to an unreasonable burden on the Kannaway Downline or Upline. If the separating parties fail to provide for the best interests of other Entrepreneur and Kannaway, Kannaway may be forced to involuntarily terminate an Entrepreneur Agreement.

4.28.1 - During the pendency of a divorce or dissolution, Kannaway shall treat the business according to the status quo as existed prior to the filing of the divorce or dissolution. Under no circumstances will the Downline Organization of divorcing spouses be divided.

Similarly, under no circumstances will Kannaway split commission and bonus checks between divorcing spouses. Kannaway will recognize only one Downline Organization and will issue only one commission check per Kannaway business per commission cycle. Commission checks shall always be issued to the individual whose name appears on the Entrepreneur Agreement.

4.29 - Sponsoring

All active Entrepreneurs in good standing have the right to sponsor and enroll others into Kannaway. Entrepreneur sponsoring a prospective Entrepreneur should not accept personally addressed enrollment checks. New Entrepreneur enrollments should be completed via their Sponsor's Kannaway replicated website. Each prospective Entrepreneur has the ultimate right to choose his or her own sponsor. If two Entrepreneurs claim to be the sponsor of the same new Entrepreneur; Kannaway shall regard the first application received by Kannaway as controlling.

4.30 - "Stacking" is strictly prohibited.

The term "Stacking" includes: (a) violating Section 4.23 of these Kannaway Policies and Procedures; or (b) enrolling fictitious individuals or entities into the Kannaway Compensation Plan, in an attempt to manipulate or circumvent the Kannaway Policies and Procedures and/or Kannaway Compensation Plan.

4.31 - Telemarketing

The Federal Trade Commission and the Federal Communications Commission each have laws that restrict telemarketing practices.

Both federal agencies (as well as a number of states) have "do not call" regulations as part of their telemarketing laws. While you may not consider yourself a "telemarketer" in the traditional sense of the word, these regulations broadly define the term "telemarketer" and "telemarketing" so that your inadvertent action of calling someone whose telephone number is listed on the federal "do not call" registry could cause you to violate the law. Moreover, these regulations must not be taken lightly, as they carry significant penalties (up to \$11,000.00 per violation).

Therefore, Entrepreneur must not engage in telemarketing relative to the operation of their Kannaway businesses. The term "telemarketing" means the placing of one or more telephone calls to an individual or entity to induce the purchase of a Kannaway product or service, or to recruit them for the Kannaway opportunity. "Cold calls" made to prospective customers or Entrepreneur that promote either Kannaway's products or services or the Kannaway opportunity constitute telemarketing and are prohibited. Furthermore, there is a ban on the sending of unsolicited advertising emails, advertising faxes, advertising SMS messages (spam), or other electronic advertising messages e.g. via social media services. However, a telephone call(s) placed to a

prospective customer or Entrepreneur (a “prospect”) is permissible under the following situations:

- a. If an Entrepreneur has an established business relationship with the prospect. An “established business relationship” is a relationship between an Entrepreneur and a prospect based on the prospect’s purchase, rental or lease of goods or services from the Entrepreneur, or a financial transaction between the prospect and the Entrepreneur, within the 18 months immediately preceding the date of a telephone call to induce the prospect’s purchase of a product or service.
- b. The prospect’s personal inquiry or application regarding a product or service offered by a Entrepreneur within the 3 months immediately preceding the date of such a call.
- c. If an Entrepreneur receives written and signed permission from the prospect authorizing the Entrepreneur to call. The authorization must specify the telephone number(s) that the Entrepreneur is authorized to call.
- d. You may call family members, personal friends and acquaintances. An “acquaintance” is someone with whom you have at least a recent first-hand relationship (i.e., you have recently personally met him or her). Bear in mind, however, that if you make a habit of “card collecting” with everyone you meet and subsequently calling them, the FTC may consider this a form of telemarketing that is not subject to this exemption. Thus, if you engage in calling “acquaintances,” you must make such calls on an occasional basis only and not make this a routine practice.

In addition, Entrepreneur shall not use automatic telephone dialing systems relative to the operation of their Kannaway businesses. The term “automatic telephone dialing system” means equipment which has the capacity to (a) store or produce telephone numbers to be called using a random or sequential number generator and (b) to dial such numbers.

4.32 - Consent to Images and Recordings

Entrepreneur agree to permit Kannaway to obtain photographs, videos, and other recorded media of their likenesses. During the term of this agreement and for two years thereafter, Entrepreneur acknowledge and agree to allow any such recorded media to be reproduced, published, distributed, broadcast, exhibited and/or in any other way used by Kannaway for any lawful purpose, and without compensation.

Examples of such contact and communication may include, but are not limited to, newsletters, written correspondence, personal meetings, telephone contact, voice mail, electronic mail and the accompaniment of Downline Entrepreneur to Kannaway meetings, training sessions, and other functions. Upline Entrepreneur are also responsible to motivate and train new Entrepreneur in Kannaway product knowledge, effective sales techniques, the Kannaway Compensation Plan and compliance with Kannaway Policies and Procedures. Communication with and the training of Downline Entrepreneur must not, however, violate Section 4.10 (regarding the development of Entrepreneur-produced sales aids and promotional materials). Entrepreneur cannot charge for training. Upon request, every Entrepreneur should be able to provide documented evidence to Kannaway of his or her ongoing fulfillment of the responsibilities of a sponsor.

5.1.2 - Increased Training Responsibilities

As Entrepreneur progress through the various levels of leadership, they will become more experienced in sales techniques, product knowledge and understanding of the Kannaway program. They will be called upon to share this knowledge with lesser-experienced Entrepreneur within their organization.

5.2 - Non-Disparagement

Kannaway wants to provide its Entrepreneur with the best products, compensation plan and service in the industry. Accordingly, we value your constructive criticisms and comments. All such comments should be submitted in writing to the Kannaway corporate offices. While Kannaway welcomes constructive input, negative comments and remarks made in the field by Entrepreneur about Kannaway, its products, or its Compensation Plan serve no purpose other than to sour the enthusiasm of other Kannaway Entrepreneur. For this reason, and to set the proper example for their Downline, Entrepreneurs must not disparage, demean or make negative remarks about Kannaway, other Kannaway Entrepreneur, Kannaway's services, the Compensation Plan or Kannaway's directors, officers or employees.

5.3 - Non-Discrimination and Non-Harassment

Entrepreneur agree to operate their business in a manner that is free of harassment, intimidation, threats, and abuse. Discrimination and all forms of unlawful harassment, including but not limited to sexual harassment, are not condoned. No form of unlawful discriminatory or harassing conduct by or towards any Entrepreneur, customer, vendor, corporate employee or other person in our workplace or jobsites will be tolerated.

5.4 - Maintaining Kannaway's Reputation

Entrepreneur will not act in any way, including their actions outside the scope of their Entrepreneur ship, which could be considered detrimental to the business or reputation of Kannaway or its Entrepreneur. Kannaway has the right to, in its sole discretion, determine what actions may be considered detrimental and take action against any Entrepreneur.

5.5 - Providing Documentation to Applicants

Entrepreneur must provide the most current version of the Policies and Procedures and the Compensation Plan to individuals whom they are sponsoring to become Entrepreneur before the applicant signs an Entrepreneur Agreement. Additional copies of Policies and Procedures can be found on the Kannaway website at Kannaway.com, or in your business center under the forms section.

5.6 - Reporting Policy Violations

Entrepreneur observing a policy violation by another Entrepreneur should submit a written report of the violation directly to the attention of the Kannaway Compliance Department. Details of the incident(s), such as dates, number of occurrences, persons involved and any supporting documentation, should be included in the report.

5.6.1 - Time Limitation on Reported Policy Violations

An Entrepreneur must report an alleged violation of the Agreement, within 12 months of its occurrence or alleged occurrence. Failure to report a violation within the 12 months period will result in Kannaway not pursuing the allegations in order to prevent stale claims from disrupting the ongoing business activities of Entrepreneur. All reports of violations must be in writing and sent to the attention of Kannaway's Compliance department.

Section 6 Sales Requirements

6.1 - Product Sales

The Kannaway Compensation Plan is based upon the sale of Kannaway services to end user consumers. Entrepreneur must fulfill personal and downline organization sales requirements (as well as meet other responsibilities set forth in the Agreement) to be eligible for bonuses, commissions and advancement to higher levels of achievement. There are no requirements for Entrepreneur to purchase product to qualify for commissions. Entrepreneur certify by the reordering of additional products that they have consumed or sold at least 70% of the products purchased in their previous order. Purchasing product solely for the purpose of collecting bonuses or achieving rank is prohibited. Kannaway retains the right to limit the amount of purchases you may make if, in our sole judgment, we believe those purchases are being made solely for qualification purposes instead of for consumption or resale. Five (5) Customer Rule / Retention of Records: Qualification for all bonuses requires retail sales to at least five (5) individuals on a monthly basis. Entrepreneur's must keep all records of retail sales for at least six (6) years and agree to make this documentation available to the Company at the Company's reasonable request. Compliance with the retail sales requirements of the Company is randomly monitored. Each product order purchased through Entrepreneur's Replicated site by non Distributors or Customers is automatically counted on a monthly basis toward retail sales requirements. Bonuses are never

paid for recruiting. The only way to earn bonuses is through the sale of products.

6.2 - Sales Tax

6.2.1 - Company Collection of State Sales Tax

Kannaway provides the service of collecting state sales tax at the time of your purchase and remitting it to your state. The amount of sales tax is based upon the suggested retail price of a Product, calculated at your local tax rate. You can recover the prepaid sales tax when you make a retail sale.

6.2.2 - Exemption from Company Collection of State Sales Tax

Entrepreneur may apply for an exemption from Company collection of state sales tax by submitting a proper sales tax exemption form to Kannaway.

Kannaway cannot exempt any of your orders from pre-collected state sales tax until all proper documentation is on file with the Sales Tax Department of Kannaway. Kannaway reserves the right to verify the validity of any documents and evidence that you submit in applying for this exemption. If you are approved for sales tax exemption, you will be solely responsible for collecting and remitting sales taxes to the appropriate jurisdictional authorities. Any questions concerning retail sales tax requirements should be directed to your tax advisor.

6.2.3 - Retail Sales

Kannaway wants to ensure that prices and quality for its products and services are not destabilized when sold through a retailing environment. Therefore, any Kannaway products sold in a retail environment will be subject to a minimum advertised retail price. The minimum retail price of Kannaway's products sold in a retail environment (such as a grocery store, convenience store, market, etc.) is advertised on the Kannaway.com website. Any Entrepreneur who knowingly fails to honor the minimum retail price set by Kannaway for its products and services will be subject to termination. Kannaway products which are sold at the minimum advertised price must be in the original, unopened packaging. Entrepreneurs may not alter, repackage, re-label, affix additional labels of information or otherwise change any Company product, nor sell any such product under any other name. All products should be provided immediately to the purchaser when completing a physical sale.

6.3 - Territory Restrictions

There are no exclusive territories granted to anyone. No franchise fees are required.

Section 7

Bonuses and Commissions

7.1 - Bonus and Commission Qualifications

An Entrepreneur must be active and in compliance with the Agreement and these policies to

qualify for bonuses and commissions. So long as an Entrepreneur complies with the terms of the Agreement and these policies, Kannaway shall pay commissions to such Entrepreneur in accordance with the Compensation Plan. The minimum amount for which Kannaway will issue a commission payment is \$25.00. If an Entrepreneur's bonuses and commissions do not equal or exceed \$25.00, Kannaway will accrue the commissions and bonuses until they total 25 CV (currently \$25.00). Commissions will be issued once \$25.00 has been accrued via our Payquicker payment platform.

7.2 - Commission Payments and Promotions

7.2.1 - Payments, Calculations, and Bonuses

Commissions will be distributed in accordance with the Compensation Plan. Commissions will be calculated according to the level for which an Entrepreneur actually satisfied all of the requirements according to the Compensation Plan rather than the highest rank or title achieved. Commission reports will be provided to Entrepreneur on-line, via web access.

7.2.2 - Promotions

Promotions are determined based on business organization and sales activity for each applicable period.

7.3 - Adjustment to Bonuses and Commissions

7.3.1 - Adjustments for Returned Products

Entrepreneur receive bonuses and commissions based on the actual enrollment for services to merchants. When a service is cancelled, and refund is authorized by Kannaway, the bonuses and commissions attributable to the refunded service(s) will be deducted in the month in which the refund is given, and continuing every pay period thereafter until the commission is recovered from the Entrepreneur who received bonuses and commissions on the sales of the refunded service(s).

7.4 - Reports

All information provided by Kannaway in online or telephonic Downline Activity Reports, including but not limited to personal and group sales volume (or any part thereof), and Downline sponsoring activity is believed to be accurate and reliable. Nevertheless, due to various factors, including the inherent possibility of human and mechanical error; the accuracy, completeness and timeliness of orders; denial of credit card and electronic check payments; returned products; and credit card and electronic check charge-backs, the information is not guaranteed by Kannaway or any persons creating or transmitting the information. All personal and group sales volume information is provided "as is" without warranties, expressed or implied, or representations of any kind whatsoever. In particular, but without limitation, there shall be no warranties of merchantability, fitness for a particular use or non-infringement.

direct, indirect, consequential, incidental, special or punitive damages that arise out of the use of or access to personal and group sales volume information (including but not limited to lost profits, bonuses, or commissions, loss of opportunity and damages that may result from inaccuracy, incompleteness, inconvenience, delay or loss of the use of the information), even if Kannaway or other persons creating or transmitting the information shall have been advised of the possibility of such damages. To the fullest extent permitted by law, Kannaway or other persons creating or transmitting the information shall have no responsibility or liability to you or anyone else under any tort, contract, negligence, strict liability, products liability or other theory with respect to any subject matter of this agreement or terms and conditions related thereto.

Access to and use of Kannaway's online reporting services and your reliance upon such information is at your own risk. All such information is provided to you "as is." If you are dissatisfied with the accuracy or quality of the information, your sole and exclusive remedy is to discontinue use of and access to Kannaway's online reporting services and your reliance upon the information.

7.5 - Chargeback

A "Chargeback" is the payment amount that is returned to a debit or credit card, after a customer disputes the transaction (maybe not recognizing the sellers name) or simply returns the purchased item and asking the bank to retract the payment.

As the Merchant, Kannaway incurs a fee from the card issuer when a Chargeback occurs. Therefore, Kannaway requires its Entrepreneur to contact Kannaway Customer Support to assist in any refund request instead of requesting a Chargeback directly through their bank.

In the event of a Chargeback, the account of Entrepreneur will be immediately suspended. In addition, the Entrepreneur will be charged any additional cost incurred by Kannaway due to the outstanding Chargeback.

Section 8
